

# Mega POS

Innovation through experience

## for the Hospitality and Retailing Point of Sale

- 15" touch screen
- Integrated customer display
- Excellent connectivity for peripherals

*Wherever payment is exchanged for goods or services, the MegaPOS is the sensible choice. Practical, hard-working and incredible value, this stylish point of sale terminal breaks previous barriers for price and performance.*

*Its rugged, fan less construction ensures long life and outstanding durability in the harshest retail and hospitality environments.*

**SMART SYSTEMS THAT DO MORE - COST LESS**

**MegaPOS**  
- mega power, mega performance, mini price

The clever design of this exciting new product has enabled Geller to produce an exceptionally versatile, high-quality 15" touch screen terminal at an attractively low cost.

Practical, hard-working and incredible value, this good-looking point of sale terminal breaks previous barriers for price and performance.

Its rugged, fan less construction ensures long life and outstanding durability in the harshest environments. As standard, it has an integrated customer display and excellent connectivity for peripherals including printers and barcode scanners.

The MegaPOS is supplied with suitable software tailored to meet the needs of all retailing and hospitality requirements. The MegaPOS is the ideal touch screen terminal giving you the advantages of its outstanding durability and performance.
