- Customer Loyalty
- Customer Accounts
- Full Stock Control
- Comprehensive Management Reports

GellerTouch is powerful, user-friendly, software designed for general retailing and niche market locations.

GellerTouch is easy to use at the point of sale even by new or part-time staff.

SMART SYSTEMS THAT DO MORE - COST LESS

Bookings, customer accounts and loyalty

Staff bookings, e.g. consultations, golf/tennis instructors

Customer accounts can include an on-screen picture of the customer and can be :

- a) pre-paid for a no credit, cashless system
- b) a credit account with a pre-set limit

Invoices can be issued in either case.

Customer loyalty system can also include an on-screen picture of the customer

Loyalty points can be allocated to specific products or calculated on sales value

Controlling Stock

Supplier Orders, Goods in, and Stocktaking functionality

Single or multi location stock control

Tracking of stock by serial number

Optionally, GellerTouch can integrate with a hand-held data collection terminal for quick and easy stock-taking

Management Information

Comprehensive management reporting for Financial, Sales, Products, Groups, Departments, Operators etc.

Management security

Track all transactions such as No Sales, Refunds, Voids, Sales, Discounts

Sales Review feature enables viewing, printing and exporting the electronic journal

Modular GellerTouch

Full GellerTouch includes all the modules commonly used in retailing. The GellerTouch 'Lite' version of GellerTouch is available for businesses where requirements are comparatively basic. GellerTouch Lite contains the Sales Module plus Stock Control.

But, whichever version of GellerTouch you choose, simplicity in use, reliability and good value will be part of the deal. Your GellerTouch system will be configured to meet the requirements of your particular business and your staff will be trained in how to use it effectively.

Available to buy or rent with full support.

GellerTouch in Retailing

General retailing, fashion, electrical goods suppliers, DIY stores, garden centres, dry cleaners & pharmacies. Efficient service at the point of sale, plus management information reports tailored to individual needs, makes GellerTouch the system of choice for virtually any retailing operation.

Serving customers quickly and easily

Easy to use with minimum training

Operator log-on by on-screen button, swipe card, magnetic ibutton or fingerprint reader (hardware dependent)

Training mode for training new staff

Barcode scanning

Lay Away System - if a customer decides to go back to buy another item

Floating Operator - sales begun on one terminal can be finished on another

Fast Tender Keys to speed finalising sales and making change

Optionally Integrates with the Avery FX-120 checkout scale.

Supports price embedded weighed barcodes.

Flexible day to day running

Product and shelf-edge labels

Multiple price levels per product

Special offers can be geared to a day and time or price level

Multi-buy and Mix and Match promotions – by cheapest item, percentage or fixed amount

Ability to review a sale made at any time – even years ago – and issue a copy receipt

Ability to take payments in multiple currencies
